

# Sturt Upper Reaches Landcare Group INC

Public Meeting  
Tuesday 9<sup>th</sup> August 2011

Presents

## DR MICHAEL HAMMER

### NATIVE FISH AS INDICATORS OF STREAM HEALTH AND CONSERVATION ICONS

- Why care about native fish?
- Fish in hot water
- Ways to help native fish
- Fish data for the Sturt River Area

Dr Michael Hammer is a Scientific Officer with Native Fish Australia (SA). Michael has been researching and observing fish and streams in the Mt Lofty Ranges since the mid 1990s, helping to document patterns of diversity in the distribution of species in the region, and tracking population and site health through long-term monitoring programs. He has also had strong involvement in a range of interesting conservation programs.

7.30 pm Tuesday 9 August 2011  
Upper Sturt Soldiers Memorial Hall  
Cnr Upper Sturt and Sturt Valley Roads Upper Sturt

*All Welcome*

Light refreshments will be available following the meeting. A gold coin donation to aid the activities of SURLG would be appreciated.
